BACKGROUND

1. On May 3, 2017, the Commonwealth of Puerto Rico (the “Commonwealth”), by and through the Financial Oversight and Management Board for Puerto Rico (the “Oversight Board”), as the Commonwealth’s representative pursuant to section 304 (a) of PROMESA, filed a petition with the Court under Title III of PROMESA. Thereafter, the Oversight Board commenced a Title III case for each of the Puerto Rico Sales Tax Financing Corporation (“COFINA”), the Employees Retirement System of the Government of the Commonwealth of Puerto Rico (“ERS”), the Puerto Rico Highways and Transportation Authority (“HTA”) and the Puerto Rico Electric Power Authority (“PREPA”).

2. By orders dated June 29, 2017 (Docket No. 537) and October 6, 2017 (Docket No. 1417), the Court approved the joint administration of the Title III Cases.

5. ELS is a Puerto Rico based law firm. The professional background and qualifications of each ELS are set forth in detail in **Exhibit A**. The attorneys from ELS that have provided legal services on the underlying matter have been by Eyck O. Lugo and Vilmarys Quiñones.

DESCRIPTION OF THE SERVICES PROVIDED

6. ELS assisted the Fee Examiner and its counsel with the review and filing of the reports and recommendations filed for all of the interim compensation periods to date, including the current the Interim Fee Period.

7. Additionally, ELS provided the Fee Examiner and its counsel with assistance in the following: (1) drafting of motions, notices and proposed orders; (2) review and filing of stipulations, disclosure agreements, objections to fee applications; reports, and other pleadings; (3) communication with professionals in connection to the Fee Examiner's position on various matters; (4) local meetings and site inspections; (5) collaboration on events intended to educate local professionals in billing procedures, and (6) provided general litigation and case administrative support. A detailed description of the specific services provided and the time expended performing such services are attached as **Exhibit E**.

P. 7

8. As part of the services rendered, ELS attended the following omnibus and fee hearings: In the year 2018, ELS appeared at the March 7, June 6, September 13 and November 7 hearings. In the year 2019, ELS appeared at the March 13, April 24, June 12, July 24, September 11 and December 11 hearings.

9. The services for which compensation is requested appear divided in two (2) project categories: Matter 000044-0001: Promesa Title III Proceeding/Case No. 17-BK-3283 (LTS) and Matter 000044-0002: Fee Statement Preparation. Additionally, the work performed is identified with different activity codes. Attached hereto as **Exhibit B** is a summary of the professional services provided by ELS during the Compensation Period.

10. For Matter 000044-0001, a total of 108.20 hours were required to carry out the work for a total of \$20,852.50. 12. The foregoing professional services were necessary and appropriate to the administration of the Title III Cases and were incurred upon the in the best of the interest of all the parties.

REQUEST FOR APPROVAL OF COMPENSATION

13. Pursuant to PROMESA §§ 316 and 317, incorporating 11 U.S.C. 330 and 331, ELS moves this Court to enter Order of Approval providing for payment of all outstanding fees and expenses for services rendered during the Compensation Period since the work detailed herein provided direct benefit to the estate by helping provide transparency and accountability in the professional fee process.

14. All of the Fee Examiner's standards and guidelines applied to other Professionals have also been applied to ELS.

15. The fees charged by ELS in the underlying case are billed in accordance with its existing billing rates and procedures and are consistent with the fee arrangements approved in the ELS Employment Order and have not changed since the commencement of this engagement. The rates for services provided are comparable to the rates ELS charges for professional services rendered in comparable non-bankruptcy matters and are based on customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy cases in the Puerto Rico legal market.

16. ELS rates are set at a level designed to fairly compensate ELS for the work of its attorneys to cover fixed and routine overhead expense. ELS operates in the Puerto Rico legal market in which rates are driven by multiple factors relating to the individual lawyer, their area of specialization, the firm's expertise, performance and reputation, the nature of the work involved, and other factors. Accordingly, ELS set its rates for attorneys with the firm by reference to market

EDGE Legal Strategies, P.S.C.
First Interim and Consolidated Application
P. 9

information and market adjustments by firms considered to be industry peers. Based on this and the reviews of contemporaneous time records and fee applications filed in other cases, ELS endeavors to set the hourly rates for its attorneys at levels comparable to those of its principal competitor firms.

17. The detailed ELS' time records accompanying **Exhibit E** are in the form of monthly statements used by ELS to bill its clients for services rendered, and include the date the services were rendered, a detailed, contemporaneous narrative description of the services provided, the amount of time spent for each service, and the designation of the professional who performed the service.

18. There is no agreement between the ELS and any other entity for the sharing of compensation to be received.

19. ELS respectfully sustains that the services provided were actual and necessary to the administration of the fee examination process in the case and are reasonable in light of the nature, extent, and value of such services provided to the Fee Examiner. The requested compensation and reimbursement meet the statutory requirements for allowance.

20. Accordingly, approval of the requested compensation is warranted.

**REQUEST FOR REIMBURSEMENT OF ACTUAL AND NECESSARY EXPENSE
INCURRED DURING THE COMPENSATION PERIOD**

21. As set forth in **Exhibit F** hereto, ELS incurred a total expense of \$559.40 in expenses from February 2018 through January 2020.

22. **Exhibit F** contains the expense categories for which ELS seeks reimbursement and the detailed expense record.

23. ELS certifies that no profit is being made on any expense incurred.

EDGE Legal Strategies, P.S.C.
First Interim and Consolidated Application
P. 10

24. The expenses for which ELS seeks reimbursement include only those charges that are routinely charged to ELS' clients. To wit, ELS charges all of its clients \$.010 for each black and white copy and \$.25 for each color copy. PACER search charges are also included in this category.

25. Theretofore, the expenses being claimed are actual, reasonable and necessary in light of the scope of the Applicant's retention to aid the Fee Examiner.

RESERVATION OF RIGHTS AND NOTICE

26. It is possible that some professional time expended or expenses incurred during the Compensation Period are not reflected in the Fee Application, ELS reserves the right to include such amounts in future fee applications. In addition, ELS has provided notice of this Application in accordance with the Amended Interim Compensation Order and Fed. R. Bankr. P. 2002(a)(6)

NO PRIOR REQUEST

No prior application for the relief requested herein has been made to this or any other Court.
